ALMA MATER

FROM THE MOUNTAINS TO THE SEA
RINGS A SOUND THAT'S DEAR TO ME,
WAKING, SLEEPING, STILL I HEAR
"ALMA MATER" DEAR.
NO MATTER WHERE I CHOOSE TO ROAM,
YOU WILL ALWAYS BE MY HOME.
SINGING PRAISES TO THE SKY
FOR DEAR OLD MORGANTON HIGH.

nostrum magnissimum tributum

We bid farewell to our greatest teacher
Of lessons not contained in any book,
Her level foundation has taught
To us her priceless lesson of maturity.
In the four precious years she took
To give to us what is never bought,
She has fiercely fought to gain our hearts—
But we ourselves and our tributes refused to part.

Her long lonely halls have given
To us the challenge of knowledge,
Frequented with the gold of toils.
The halls have become our road in life,
A road with many stretches of misery,
And loneliness, and painful plights,
For a disguised sun—
For some.

A road that has been light and gay,
Shining with the brightness of today—
For some.
But far all,
The brilliant gift of maturity
Outshines our sun of yesterday.
Our maternal teacher
Has made us men;
Tomorrow—she'll succeed again.

But today—to our surprise—
We leave her with tears in our eyes.

Nastrum Alma Mater amamus!!

ANTIQUE IS DISCOVERED

Two Morganton High School teachers, Miss Beth Hotchkiss and Miss Janice Brown, along with Miss Cindy Darwin, guidance director, have discovered an antique desk in the cellar of "Old M.H.S." Principal Garry Harding has estimated the desk to be approximately twenty years old.

Officials are presently attempting to identify the many initials and names found on the desk itself. D.B. + L.G., K.E. + D.B., Put, Red, Kidd, and Chuck are some of the more legible inscriptions.

'69 must have been an exciting year!

all of you will be bound up into one happy memory labeled "Marganton High School."

Going back with me will be, apart from this annual, many interesting and exciting things that have happened here so far this year. Homecoming, The Miss M. H. S. Pageant, Class Officer Elections, and various other events are things that never happen or ever will happen in the ordinary English School. Another thing that astonishes me about this school is its terrific amount of school spirit. There are not many teenagers in England who would give up a Friday evening to go and shout themselves hoarse at a match.

So, I do really want to thank you all for what you have done for me in helping to make this year the most exciting and rewarding year of my life. Perhaps next year when you are either here or away at college you will think occasionally of that crazy English girl with the long hair, the short skirts, the queer accent, and the illegible writing, for I know that I shall often think of M. H. S. and all it has meant to me.

Wishing you all the best for the future,

Anne

Dear Students of M. H. S.,

When I first arrived here, I made the fatal mistake of coming in between periods. As I stood there amazed, looking down the long halls and hearing the terrific noise and seeing the swirling figures around me, I thought "What a contrast to the orderly quiet halls of my rather staid English Girls' Boarding School." But now I appreciate the pleasure of being able to talk as, I saunter along the crowded halls and when you are getting books out of your locker. With all these names as England! Redcoat! and Oian), why shouldn't I enjoy it? By the time you get this annual the time for me to go will be growing even nearer and perhaps by then you will have thoroughly Americanised me. Already I no longer regard American football as "barbaric", my English accent is already disappearing; I now say "Hi!" instead of "Hello!"; I "call" people instead of "phoning" them, I "mail" my letters home instead of "posting" them; and I am even getting to like hamburgers, hot dogs and pizzas. But all these things couldn't have been without the friendship of all you students of M. H. S. Many of you I will remember for a very long time, but

miss martha furst

Dear Students of M. H. S.:

On June 21st, I, along with 800 other students, boarded the S.S. Waterman, to begin the long trip to our new families.

I spent a wonderful summer with a family of four, Mr. and Mrs. Helmbach, better known to me as "pappa and mamma," and my sisters, Cecilia and Barbro. My "pappa" was a solo bassoonist in the Goteborg Symphony Orchestra. I was able to use my limited vocabulary on him since he spoke little English. My "mamma" had been born in the U. S. and had spent her early years here. She was quite interested in politics and at times seemed to know more about U. S. politics than I did. Cecilia, 16 years, spoke beautiful English. She was quite shy at first, but as with the rest of the family, we all became very close after such a short summer.

We live in Molndal, a suburb of Goteborg.

Since Goteborg was on the west coast, we often went swimming in the sea, where the water was cool and a warm breeze drifted in off the sea.

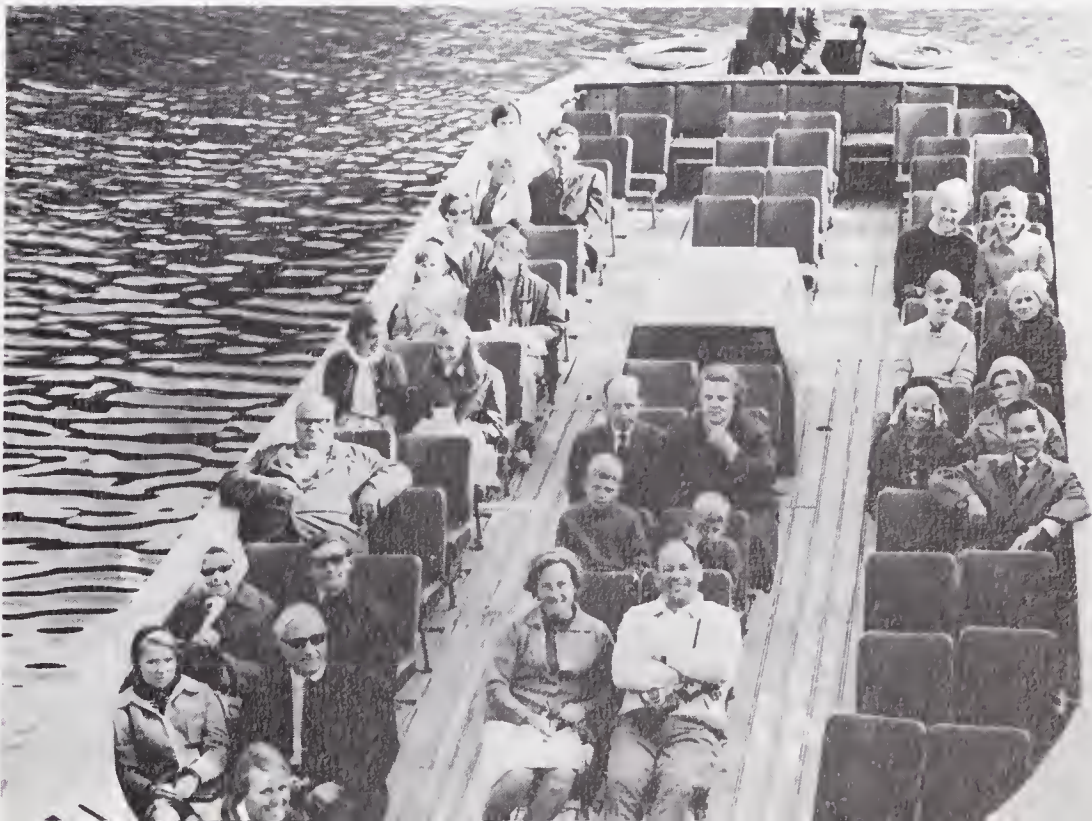

My family was quite eager to show me Sweden and to teach me to speak Swedish. A few weeks of my stay were spent traveling. Camping proved to be quite a new experience for me, but also a lot of fun. We met people from many different countries including Germany, Norway, Belgium, Italy, France, Holland, and Great Britain.

Throughout all our traveling I found Swedish people to be eager and to help a stranger or foreigner. A warm and friendly attitude seemed to be present.

AFS gave me a dream come true and a summer I shall never forget.

Heja Sverige!
